

Sha'arim + Gateways Service Menu - Camp

Your Partner Service Bundle may be comprised of an assortment of the following menu options to meet your specific program needs:

Intake

- Synthesize assessments and documentation pertaining to each camper intake with inclusion coordinator.
- Assist in intake meetings with families requesting support for campers.
- Assist in setting an individually tailored and appropriate accommodation/behavioral plan for each camper receiving services.
- Development of accommodation/behavioral plans for camp staff and/or counselor use.

Supervision, Consultation and Programmatic Support

- In all partner settings, Sha'arim provides the following:
 - Observations
 - Recommendations
 - Modifications
 - Adaptations to curriculum/schedules
 - Behavioral management plans
 - Materials to implement all of the above
- On call supervision with clinical supervisor for daily camper related behavioral/inclusion concerns,
- Administrative Support Meetings and Consultation to address one time or ongoing behavioral and/or educational questions, issues, or concerns.
- Meeting and planning with Camp Directors/Support Staff to help implement behavioral and/or accommodation plans and address questions or concerns.
- Observations in any camp related setting deemed necessary for information gathering.
- Assistance with camper identification and referral for assessment and services.
- Interfacing with camper care team including public school teachers, therapists, support professionals etc.
- Co-facilitating Family Intervention meetings with partner program representatives when deemed necessary.
- Any consultation regarding partnership needs.
